Don't forget! If you Pre-Order the album *This Is War* now by clicking the image below you will gain access to an online chat with the band on the day of US release. (12/08/09)

The image shows a promotional pre-order page for the album "This Is War" by Thirty Seconds To Mars. At the top, it says "PRE-ORDER". Below that, there's a "CONTEST" section with three icons: a red circle with a white star, a red circle with a white "X", and a black "X". It states that 5 lucky pre-order customers will receive a signed copy of the CD. There's also a section for a photo book with a "PRE-ORDER NOW!" button. To the right, there are three product options: "THIS IS WAR" (a CD), "EXCLUSIVE MEN'S BUNDLE" (a t-shirt and CD), and "EXCLUSIVE WOMEN'S BUNDLE" (a CD and a small item). Below these, it says "RELEASE DATE: 12/8/09" and "SHIP DATE: 12/4/09". At the bottom, a red banner says "CHAT WITH 30 SECONDS TO MARS" and provides links for pre-ordering the album and the photo book.

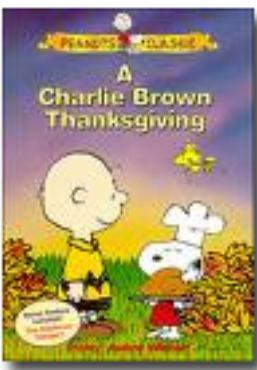

## Weekly Picks From the Band

### Book of the Week

[Nine Stories](#) is a collection of short stories by American fiction writer J. D. Salinger released in April 1953. It includes two of his most famous short stories, "A Perfect Day for Bananafish" and "For Esmé – with Love and Squalor." (Nine Stories is the U.S. title, and the book is published in many other countries as For Esmé - with Love and Squalor, and Other Stories.)

### Movie of the Week

[A Charlie Brown Thanksgiving](#) based upon the popular comic strip Peanuts, by Charles M. Schulz was originally aired on the CBS network in 1973. Peppermint Patty invites herself and her friends over to Charlie Brown's for Thanksgiving, and with Linus, Snoopy, and Woodstock, he attempts to throw together a Thanksgiving dinner.

### Album of the Week

#### [The Cure - Disintegration](#)

Most of its 12 songs are long mood pieces that develop slowly around the listener. Anchored by complex drum patterns, the layered guitars, soaring bass lines, and rich keyboards blend to create a lush, evocative soundscape that captures the ear immediately; and for all its length, the album is never boring.
